# MIDWEEK SERVICE TIME!

Starting Wednesday, July 18 we will be moving our midweek service from Thursday evenings to Wednesday evenings at 7:00 PM!

*Also beginning that week, our Eternal Redemption meeting will be moved from Wednesday to Thursday at 6:15.*

*From Pastor's Mike & Anita Nolder*

God is saying to Living Waters Church - "think smart". If we desire quality over quantity, then simplify (which means to make simple). So, we are! Starting July 18th, we will move our Thursday evening service to Wednesday evening at 7:00 P.M. Also, our youth group (teenagers) will be meeting the same night. This will help dads and moms to come together and worship all on the same night, as well as have more time with family during the rest of the week. Remember: God loves families and so do your Pastors!

Know this, what we are changing is not a slowing down, but thinking smarter. So we can have His strength to finish the race!

## OTHER AREAS AFFECTED BY THIS CHANGE

Youth Ministry at Living Waters Church is about to get a makeover! God has been speaking to Meggin and I about making a change to the structure of our ministry. When Pastor Mike began announcing that our midweek service was changing to Wednesday, it was confirmation to me that we needed to shift with Pastor Mike.

The first change we will be making is moving the meeting day from Tuesday to Wednesday.

Second we will refer to it as student ministry, instead of youth ministry and discarding the name H2O.

Lastly we will be separating into 2 groups. Junior High (6th, 7th & 8th grades) & Senior High (9th - 12th grades) will meet at different times on Wednesdays. God is always moving and we need to move with Him.

This is how it is all going to work... The Senior High Ministry will meet from 6:00 - 7:00 PM. (Senior High kids will be expected to stay for the midweek service). The Junior High Ministry will meet from 7:30 - 8:30 PM (after praise and worship).
